

## Introduction to Emergency Assistance Japan Co., Ltd.

We at Emergency Assistance Japan Co., Ltd. (EAJ) promote the acceptance of foreign patients in partnership with Sobajima Clinic.

EAJ is a leading company in medical tourism to Japan, which became the first registered guarantor of visas for medical stay in 2011 and was certified as Japan's first Accredited Medical Travel Assistance Company in 2015.

If you are a foreign national living overseas and seeking treatment at Sobajima Clinic, please contact us, since we have rich experience in medical tourism. Our coordinators facilitate accurate communication between you and medical institutions for all situations by providing you with translation service of medical information and medical records before you travel to Japan and interpretation service at the clinic, both of which are available in multiple languages including English, Chinese, and Russian. We responsibly support you from planning, travel to Japan, to follow-up after you return to your home country.
